6. If it is the first time on the Platform, create a new account. After the registration, you will receive an email the creation of the account.

Si c'est la première fois sur la Plateforme, créez un nouveau profil. Après l'inscription, vous recevrez un email de création de profil.

7. At this stage you can start the course chosen, listen to lectures and check presentations.
Vous pouvez à ce moment-là commencer le cours choisi, suivre des leçons et consulter les présentations

The screenshot shows the ERFAN course dashboard. At the top, there is a navigation bar with the ERFAN logo, a search icon, and a user profile icon. Below the navigation bar, the breadcrumb trail reads: Dashboard > My courses > Contagious Bovine Pleuro-Pneumonia Overview of the... The main title of the course is "Contagious Bovine Pleuro-Pneumonia Overview of the...".

Below the title, there is a navigation menu with buttons for "Dashboard", "Site home", "All courses", and "My certificates". On the right side, there is a "Course dashboard" button and a "Your progress" indicator.

The main content area is titled "TOPIC: Contagious Bovine Pleuro-Pneumonia Overview of the disease". It contains a paragraph of text: "The online vocational training course on Contagious Bovine Pleuro-Pneumonia (CBPP) aims to elaborate on topics related to this important disease and to share technical-scientific updates on different aspects of the disease: Clinical symptoms; Pathological lesions; Laboratory diagnostic methods; such as, Microbiological isolation and typing of *Mycoplazma mycoides* subsp *mycoides* (*Mmm*), Molecular detection and typing of *Mmm* including genomic data interpretation (Bioinformatics) and control of the disease. The main objective of the ERFAN online Information day is to facilitate the refreshment of knowledge for the disease in different fields in order to enhance its diagnosis, control and eradication."

Below the text, there are four lessons listed:

- Lesson 1 - CBPP: clinical signs and pathological lesion
- Lesson 2 - CBPP: microbiology and biotechnology diagnostic tests
- Lesson 3 - CBPP: serological diagnosis
- Lesson 4 - CBPP: Presentation partners labs activities

Each lesson has a "Restricted" label and a message: "Not available unless: The activity Lesson 1 - CBPP: clinical signs and pathological lesion is marked complete" (for Lesson 2), "Not available unless: The activity Lesson 2 - CBPP: microbiology and biotechnology diagnostic tests is marked complete" (for Lesson 3), and "Not available unless: The activity Lesson 3 - CBPP: serological diagnosis is marked complete" (for Lesson 4).

At the bottom, there is a section titled "Do you have any questions? Use the form below to ask an expert." with a "Subject" input field, a "Enter your message" text area, and a "Send" button.
