PRESENTATION

The ERFAN Secretariat, in collaboration with the WOAHA sub-Regional Representation for North Africa and Italian Embassy to Tunisia, organises the regional meeting in Tunisia.

Heads of partner institutions are invited to discuss together with representatives of the international Organizations active in Northern Africa.

Two days for discussion are planned, structured in two thematic sessions.

The meeting opens with a presentation of the results of ERFAN's activities since its establishment (2019). A second session is dedicated to the creation of synergies among ongoing programs and projects in public health and food security in North Africa.

OBJECTIVES

To present Network achievements from 2019; to create synergy actions with ongoing programs and projects in northern African countries; to achieve greater impact and efficiency of ERFAN; to present the second PHASE of "ERFAN project"- towards 2024; to enhance scientific cooperation between Europe and Africa.

PARTICIPANTS

Heads of ERFAN partner Institutions in Northern Africa;
Italian Ambassador to Tunisia;
Head of the Italian Agency for Development Cooperation in Tunisia;
Coordinator of FAO Sub Regional Office for North Africa;
Representatives of the WHO in Tunisia;
Representatives of the World Bank in Tunisia.
